

# Restless Angel

Words & music by TripleShift

V1

Restless angel  
Why you walk alone  
There's a hand to hold on to  
A shelter from the storm

Ch.1

With an empty heart  
You won't see  
His majesty  
Restless angel, why you walk alone

V2

Restless angel  
You can put your trust in Him  
With arms wide open  
His mercy knows no end

Ch.2

With an open heart  
I know you'll see  
How He can set you free  
Restless angel, let Him walk you home

V3

Restless angel  
Why you walk alone  
The door's wide open  
I'm coming home

I'm coming home
